Location ID: [REDACTED] Address: [REDACTED]
Contact name: [REDACTED]

Incident Classification

Citation Issued: Police Involved: X
Information only: X Verbal Warning:
Incident Type: Theft Extra Info:

Narrative

Reporting officer: [REDACTED]
Suspect/Witnesses: [REDACTED]
On November [REDACTED] 2019 at approximately [REDACTED] a.m. security was alerted to a break-in of the trailers via camera activation. I immediately called nine-one-one and dispatched an officer.

I continue to monitor the camera live while dispatching information does Klamath County Sheriff's Department. Once I gave a description any location of the crime they dispatched an officer coming from Klamath Falls.

At that time the two individuals gain access into both trailers. I made the decision to use our voice-activated system and tell them to drop everything and that law enforcement was on their way.

Immediately after I spoke they began to run and only got away with two generators. I then called an updated Klamath County Sheriff's Office and [REDACTED] Security has plenty of video with the individuals face. I will remain in contact with [REDACTED] and Klamath County Sheriff's office until the incident has resolved or has been suspended.

This report is submitted by the officer listed below. This report and attachments are forwarded in good faith that the item/s and details included are accurate and submitted truthfully.
